WORK AND LEADERSHIP EXPERIENCE

IMC Trading ~ Proprietary Trading

Chicago, IL

Research Analyst Intern

June 2026 – Aug 2026

- Priced upcoming catalysts into scenario-weighted distributions of implied volatility and stock price outcomes across coverage
- Supported the research team's process, developing models to exploit pricing inefficiencies around earnings, corporate actions, and time sensitive company headlines

Julius Baer Group ~ Wealth Management

Zurich, Switzerland

Market Risk Intern

Aug 2024 – Sep 2024

- Executed firm-wide stress testing and Value at Risk, monitoring limits and delivering daily risk reports to all divisions
- Managed risk exposure limits across stress test scenarios and coordinated with trading desks to resolve breaches
- Monitored derivatives portfolios, analysing structured products and Greeks exposures to support trading desk risk tolerances
- Improved workflow efficiencies with Python and Power Query, trimming dashboards processing from 1.5 hours to 10 minutes

Parus Finance ~ Equity Long Short Asset Management

London, United Kingdom

Investment Team Intern

Jul 2024

- Built and updated valuation models presented to the portfolio manager to support investment decisions
- Supported portfolio execution using trading algorithms to implement PM decisions
- Performed Brinson-Fachler portfolio analysis and historical portfolio analytics in Excel and Bloomberg for client pitches and Q2 investor reporting

PUBLICATIONS

Laurencin, B. (2026) "The Allocative Function of Market Crashes: Quality Screening in the ICO Market." Working Paper, University of Chicago Booth School of Business. *Advised by Professor Anthony Zhang.* [\[Available here\]](#)

EXTRA-CURRICULAR EXPERIENCE

Chief Investment Officer, Plintus Capital Management

Dec 2025 – Present

- Manage student-run portfolio across fundamental, quantitative, and systematic strategies, setting position sizing and risk limits
- Chair weekly investment committees, integrating macro views, factor backtests, and NLP/ML signals into portfolio decisions

Contributing Writer, Rewind History Magazine

May 2025 – Present

- Researching and authoring articles on global history spanning from the Crusades to modern conflicts

Virtual Portfolio Management

Oct 2022 – Present

- Managing a virtual equity portfolio achieving 32.52% annual IRR vs 31.71% S&P 500 with Sharpe 2.43 vs 1.87; built custom Excel and Power BI platform to track performance, visualise portfolio data and manage exposure

Sailing Team and Youth Sailing Club

Sep 2014 – Mar 2020

- Represented Tonbridge school and Queen Mary Sailing Club at various national and international regattas
